Invitation to Participate

Our non-profit organization can only build a global community in Minnesota with the generous support of corporate partners like you.

Fundraising represents nearly 25% of the annual budget of Alliance Française Mpls/St Paul in fiscal year 2024, second only to revenue from language classes. Corporate sponsorship is key to the success of the gala as well as the overall financial health of our organization.

Show your company's support and join us on Wednesday, May 8 for an unforgettable evening with incredible river views at the newly renovated Town & Country Club in Saint Paul. Guests will enjoy a gourmet dinner with French wine pairings, a live jazz ensemble, and warm camaraderie. Our soirée will open with a silent auction cocktail hour and culminate with an exciting round of live auction items after the meal.

All proceeds support the year round educational and cultural programming provided by Alliance Française Mpls/St Paul, the non-profit French cultural center serving greater Minnesota. We invite you and your company to support this gala, ensuring the success of our most important fundraiser of the year.

Cordialement,
