Face-to-Face (FTF) : Classes will meet in an AFMSP classroom. This option allows students the most successful learning environment and a return to our building at 227 Colfax Ave N.

A **hybrid** option is available for all Face-to-Face classes using a 360° camera and high quality microphone. Students who live a great distance or are traveling can periodically connect to in-person classes via Zoom. This offers ultimate flexibility to those needing to tune in *à distance from time-to-time*.

Virtual classes (V): These classes will be offered exclusively online via Zoom, students and instructors can connect wherever they may be! Due to the technology costs associated, virtual classes have an additional \$25 fee for 5-week and \$50 fee for 10-week classes.
