BIENVENUE AUX SUMMER CAMPS !

Lifelong memories are made at summer camp. Alliance Française Mpls/St Paul is pleased to give your children the opportunity to have fun *en français* with their new *amis*. Kids will enjoy learning French and discovering the French-speaking world.

Join us in Summer 2024 for our French Camps - *En route !* This year, our campers will explore and "travel" through the Francophone world to places like Morocco, Belgium, Senegal, Switzerland, and more, to learn about the rich, diverse cultures of *la francophonie*! On this Francophone "world tour", we will also make a pit stop in Paris to discover the 2024 Olympic games and the history of this global event.

What can you expect during our camps?

Adjusted for each age group, campers will explore and learn French through fun activities such as art & video projects, games, stories, and cooking activities. Your kids will have a blast learning, improvising, and using new French vocabulary, grammar, all while exploring the French-speaking world!

BENEFITS OF MEMBERSHIP

At Alliance Française, we're more than just a school; we are the cultural center for French-speaking culture and communities in the Twin Cities.

Our students enjoy a simultaneous cultural and linguistic education. Take advantage of our resources including French films, books and magazines, and events for all tastes!

We encourage our campers to become members to take advantage of benefits such as Culturethèque, an online French library. You'll find a variety of e-books, comics, songs and videos to support your child's learning.

MULTIPLE CAMPS

Join us all summer long by registering for multiple camp sessions. With most camps levels being offered once a month, kids can come back to practice what they learned in an earlier session. While course framework stays the same, they can meet new friends, interact with new teaching styles, while improving their French skills!
